EVOLVING THE FRONTIER OF ENERGY TRANSFER

## Freeze Block™ Coils

Patented Freeze Block™ Technology is designed to prevent fluid and steam coils from rupturing in freezing conditions.

Dramatically reduce future maintenance, premature coil failure and related downtime.

- Climate and wind tunnel tested to -74° F
- 30-month warranty against freeze damage
- Available for new air-handling units & coil replacement applications

## Cooney Thermo-Pack

Using the latest in shell & coil heat exchanger technology, the Cooney Thermo-Pack provides efficient, reliable water heating to the market for both domestic, heating hot water, and process applications.

- Condensate sub-cooling saves energy and reduces maintenance costs
- Corrosion resistant 316L SS heat exchanger with complete welded structure
- Eliminate dangerous and wasteful flash steam
- Small footprint for facilities with space restrictions
- V-Ball control valve standard with 300:1 turn down for precise control and energy savings
- Completely customizable

## Cooney Smart Coil System

The Cooney Smart Coil integrates Freeze Block™ Technology with a facilities building automation system for proactive protection against freeze damage.

- Immediate notification of freezing event
- Compatible with any BMS
- 48-month warranty against freeze damage

**10-15%**  
ENERGY SAVINGS\*

\*Compared to traditional shell & tube HX

## Replacement HVAC Coils

Available with or without Freeze Block Technology. Standard and quickship options.

- Fluid
- Steam
- Evaporator
- Condenser
- Sectional
- Booster
- Microchannel
- Coated

## Steam Specialties

High-quality, American made, steam and fluid specialty products. Stocking distributor. Same day delivery. Call for availability.

- Traps / pump traps
- Control / regulating valves
- Pressure motive / electric pumps
- Condensate pump packages
- Simplex & duplex strainers
- Pressure / temperature relief valves

## Our Partners

## CAPABILITIES

- On-site Troubleshooting
- Engineering Support
- IAQ Solutions
- Technical Trainings
- Customer Centric Approach

Our team offers site visits to personally troubleshoot issues with your HVAC system at no cost to you.

With our Form, Fit & Function promise, we guarantee that the equipment we provide will fit accurately and perform as designed.

**EMERGENCY SITE VISITS 24/7**

## We're More Than Coils!

- Steam Specialities
- Heat Exchangers
- Shell & Tube Bundles
- UV-C Lighting
- Air & Dirt Eliminators
- Condensate Pump Packages
- Pressure Power Pumps
- Blowdown Separators
- Mist Eliminators
- Economizers
- Electric Condensate Pumps
- Humidifiers
